Mr. J. Gordon Shanklin  
Special Agent in Charge  
Federal Bureau of Investigation  
1114 Commerce Street  
Dallas, Texas

Dear Mr. Shanklin:

This is to confirm my verbal request of this date through Deputy Chief G. L. Lumphin to Mr. Kenneth C. Howe, Special Agent, Federal Bureau of Investigation.

On Tuesday, November 26, 1963, we turned over evidence concerning the Oswald murder case to the Federal Bureau of Investigation. At that time you agreed to furnish us microfilm photographs of this evidence. It was done Tuesday evening and early Wednesday morning by Mr. Kenneth C. Howe.

On developing the microfilm it has been found that items #164 through 360 inclusive did not record. It is requested that the Federal Bureau of Investigation Laboratory in Washington be requested to photograph these items and forward them to the Dallas Police Department as part of our evidence in the Lee Harvey Oswald case.

Very truly yours,

J. H. Curry  
Chief of Police
